**JAY HEALE**

**jbj** saturday

**Title:** *Ronnie and the Rhino horn* and *How the Bumble bee lost its sting*

**Author:** both by Lezulu

**Illustrated:** Louise Hansen  
(Lezulu Publishing)

TWO bright picture-book stories from a one-man publishing house devoted to saving South Africa's rhinos.

The first book is a folktale, more about the Rhino getting its horn than the Bumble Bee losing its sting.

The second book recaps this folktale and introduces the concept of Rhino Marshalls looking after two rather cute orphaned young rhinos.
